

Sound Equipment Distributor Will Create up to 316 High-Paying Jobs by 2016

Anderson, IN – U.S. Congressman Mike Pence congratulated the city of Fort Wayne and music technology and instrument retailer, Sweetwater Sound, Inc., on its announcement today to expand its headquarters and create up to 316 new high-paying jobs by 2016. Chuck Surack founded Sweetwater Sound in 1979 and helped the company expand to where it currently employs more than 400 people.

"I want to extend my sincerest congratulations to both the city of Fort Wayne as well as Sweetwater Sound on its announcement to create up to 316 new high-paying jobs in Allen County," said Pence. "This is fantastic news for hard-working Hoosiers and once again showcases that Indiana is truly a great place to start and grow a business."
